

Peru TWP Zoning Meeting Minutes for 12/05/2024

Present: Eric Coffee, Elisa Kinney, Harold Wiebe, Larry Stefanich, Susan DeVol, and Tony DiNovo

Excused: none

Guest: none

Tony called the meeting to order at 6:10pm.

The minutes of 11/07/24 contained no errors or omissions and were accepted as presented. The minutes of 10/05/2024 that were sent out were not complete and need to be updated and resubmitted to the commission.

Issues with the draft proposal that was sent last month include: pages were not separated, the page numbering in the footers are incorrect, there are bullets appearing in the draft that should not be there. Susan will correct these and send a new copy in PDF that shows all mark-ups.

Continued the review of comments and recommendations received from Jen Huber; agreed with all recommendations and Susan is to update the proposed regulations to conform with Jen's recommendations.

The meeting adjourned at 8:01pm.

Respectfully submitted,

Susan DeVol
