

Peru TWP Zoning Meeting Minutes for 5/1/2025

Meeting called to order by Tony at 7:02pm.

Present: Eric Coffee, Elisa Kinney, Harold Wiebe, Larry Stefanich, Susan DeVol, and Tony DiNovo

The minutes of 04/03/2025 contained no errors or omission and were accepted as presented

Discussed how we would set up the room on May 14 at 6pm.

- Tony will bring 50 copies of the agenda, and the summary of the articles and a few copies of the zoning proposal that people can borrow.
- Susan will have all documents on her laptop's desktop so we don't have to rely on a hotspot.
- She will also see if she can borrow the booster at the library.
- We will post 5 copies of the zoning map on the walls.
- Elisa suggested printing the flowcharts and putting them on the walls, so the public can ask questions and the Commission members have a good reference to answer them.
- We will also have paper and writing instruments (everyone should bring as many pens as they have) so the public can write questions and suggestions; the paper will ask the person to provide their name and contact information.
- Susan will verify whether the PeruLandUseSurvey@gmail.com is still functioning; she tried and has an old password – Eric needs to supply the new password.
- We also need a sign-in sheet.
- Tony will invite the Trustees.

Tony said we should ask attendees to hold all questions until after the presentation.

Discussed the resolution summary: Larry will add an introductory paragraph and will send that to us to review and comment.

Reviewed the slideshow and made some adjustments.

Reviewed the flyer that Larry created and made some edits. Each member should send a copy of this to as many of their neighbors as possible.

The meeting adjourned at 8:37 pm.

Respectfully submitted,
Susan DeVol
